

FUND RAISING PARTIES

Let us show you the way to raise money for your cause. It's as easy as a telephone call to Bowl BC.

There are many ways to raise money either through fun bowls or bowl-a-thons. Both are very successful.

Fun Bowls

Fun bowls are fun, easy and a great way for groups or organizations to raise money. To have a successful fun bowl all you have to do is sell tickets. A standard fun bowl consists of three games:

- one regular game
- one crazy game
- one Bingo game
- or any other games you want

Bowl-A-Thons

This method can raise a great deal of funds for your group or organization. We will help you devise a form for the collecting of pledges.

After that you would distribute the pledge forms to your volunteers and then they would take the form around to their friends, relatives and neighbours to obtain pledges. Set up a time to come to a centre to bowl the game and then go back out to collect the pledges.
