

BIRTHDAY PARTIES

We have birthday packages that suit everyone. The party could last one to two hours. We suggest that you bowl first and after bowling is finished the food can be served.

You are welcome to bring your birthday cake to the lanes. Please provide your own paper plates and plastic forks for the cake. Parties are asked not to bring any other type of food to the lanes.

Payment on the day of the party by cash, interact or charge.

Reservations are a must.
