BOWL BC

FAIR PLAY POLICY

Five-Pin and Ten-Pin Bowling – British Columbia

Bowl BC believes that integrity, fairness, respect and sportsmanship are the foundations of Fair Play. We believe that bowling is more than a sport; it is an opportunity to develop character, build confidence, encourage lifelong participation and create a positive sporting environment for everyone.

Our Fair Play aims are to:

- Promote bowling as a fun, inclusive and rewarding sport for individuals of all ages and abilities.
- Encourage athletes to develop a positive self-image, confidence and respect for themselves and others.
- Promote respect for the rules, fellow competitors, coaches, officials and volunteers.
- Encourage athletes to demonstrate honesty, integrity and good sportsmanship at all times.
- Foster healthy competition and a constructive attitude toward winning and losing.
- Encourage courteous behaviour, respectful relationships and gracious acceptance of results.
- Provide equal opportunities for all individuals to participate, learn and develop their skills.
- Promote an environment free from discrimination, bullying, harassment and unsportsmanlike conduct.
- Encourage all participants to take pride in their actions and represent their sport, bowling centre and province with dignity.
- Support the continued growth and enjoyment of five-pin and ten-pin bowling throughout British Columbia.

Our Commitment

Bowl BC encourages all athletes, coaches, officials, volunteers, parents and bowling centre proprietors to uphold the principles of Fair Play and contribute to a positive, respectful and welcoming bowling community.

Fair Play is everyone's responsibility.
